DON'T SELL DECLARED WEEDS

If you are selling plants please check the list bellow for weeds that are illegal to sell as they are declared weeds. There is also a list of plants that are not declared weeds but are environmental weeds that are affecting King Island and by selling them you can potentially create a major problem to our environment.

This list has all declared weeds in Tasmania. Under the Tasmanian *Weed Management Act 1999,* Importation, sale and distribution are prohibited in Tasmania.

(a) A person must not import, or allow being imported, into the State any declared weed except with the written approval of the Secretary.
(b) The tolerance level for declared weed seed in imported grain will be 0 seeds per kilogram.
(c) Landowners and managers must take all reasonable measures to control the impact and spread of a declared weed.
(d) A person must not propagate trade or otherwise distribute declared weeds or anything carrying declared weeds except -
I. transport for purposes of disposal and
II. sale or transport for purposes other than disposal where authorised by the Secretary.
(e) A declared weed must be disposed of in a manner which will not result in further infestation.
(f) A declared weed must be eradicated from areas of the State where this is considered feasible.
